

Dominique Lapierre School of Excellence for Children with Special Need

Major Activities

□ Students Enrollment:

40 children are enrolled in our Dominique Lapierre School of Excellence for Children with Special Need who are unable to cope up with normal schooling or unable to be included with others in our public school. Moreover, 21 children with disabilities are receiving remedial classes from the special educators.

□ Parents' Meeting:

2 Parents' Meetings were organized with the parents of the students who were undergoing special education in our Dominique Lapierre School of Excellence for Children with Special Need. The meeting was conducted by the Headmaster and special educators of the said school. 31 parents have attended in that meeting who noticed different methods of teaching for their children with Disabilities. They also have acquired knowledge about the differences between formal and special education and how their involvement can help their children to explore abilities.

□ Celebration of Auspicious Day:

The day of 25th Baishakh (the first month of Bengali Calendar) is very special to all Indian for observing the Birth Day of eminent philosopher –Rabindranath Tagore. It was 153rd birthday celebration. He was the first noble laureate Indian and enriched the Bengali literature with his splendid work on novel, drama, poetry etc. Not only that he was a famous composer of his own lyrics, which are recognized, after his name. We the family members of Asha Bhavan Centre celebrated his birth anniversary on 9th May, 2014 with great joy at Dominique Lapierre Centre of Excellence for Disabled premises at Kathila. The programme was started with the enlightening of lamp by our honorable Secretary Ms.Sukeshi Barui. Then we pay our rich tribute to this great personality by devoting garland and flowers on his portrait and started the cultural programme with the inaugural song and after that our little children show their beautiful chorus, dance and recitation performances.

□ **Profile Making (Development of assessment format)**

11 special educators & 3 Rehabilitation Therapist have undergone 2 days training programme in our Training room of Dominique Lapierre School of Excellence for Children with Special Need. Ms. Aloka Guha, Former Chairman of National Trust came to provide the training. After several discussion they finalized two formats on child assessment.
