**Chandrani Mondal**, is a girl child with Cerebral Palsy and Mental Retardation since birth. She belongs to very poor family. Her father earns in daily basis. She has one small brother and her mother is house wife and her father has not such potentiality to support **Chandrani** with proper treatment maintaining all household needs. She could not walk properly or could not express her feelings properly and could not eat herself. She also suffered from epilepsy problem and need regular medicine to cure from it. **Chandrani** has lots of potentialities to develop and to become independent in life. She needs regular rehabilitation program for her optimum development. She had received therapeutic support from our Asha Bhavan Centre and stayed in our home. But along with this she also needs Therapeutic support, some supportive devices and medical treatment and some economic support for her betterment. So we are seeking a helping hand to fulfill her needs.
