Brief narrative description of the child

Chandana is 19 years old a teenage girl affected by Cerebral Palsy with 80% disabilities. Due to Cerebral Palsy she was unable to perform her daily basis work, walk, and study. Receiving this service she is able to perform her personal work & walk. She has also speech disorder & cognitive problem. Now she is studying in class-(IX). Continuing for her education she needs special attention and care. Her father is full drunkard & spend the money to buy wine. Her mother works as a maid servant to meet the family expenses. So, she needs educational support. Her mother is very happy with our special support & to see improvement of her child.
